Tsunami Evacuation Practice

Dear Parents

On **Monday 26th June**, we will be holding a Tsunami Evacuation Practice. This will be held at 11am. It will start with an earthquake drill and then all classes will evacuate to our meeting point- the playground at the corner of Dowse Drive and Magnolia Grove. Please see attached evacuation map. We will then return to school by lunchtime.

I have contacted Constable Blue McCaffrey and the police will be assisting us with crossing the motorway to get to Dowse Drive.

Early in Term 3 we will be holding another drill where we ask you or your emergency contact to collect your children. This will allow us to check our notification systems and all your emergency details.

Please make sure that any changes to addresses, emails, phone numbers or emergency contacts are given to the school. If you have not yet sent your child's emergency pack to school could you please do this as soon as possible.

God bless

Liz Heatley

Principal
