

TERM 3 2018 Fun Whānau Challenge

As part of our Te Aō Māori Curriculum, this year we have been exploring the concept of Turangawaewae (Sense of Belonging). We will be learning the story behind the names within our school pepha.

The Fun Whānau Challenge this term builds on our understanding of this concept.

- Visit the school or local library (or look online) for a traditional Māori story that you and your whānau would like to read together. It can be an old story or one that is new to all of you!
- Read/retell the story together.
- Take a photo and print it out (or email to your teacher) OR draw a picture about the story you read and be sure to enter it in the Fun Whānau Challenge boxes (by the blue hallway door opposite the milk fridge).

We will be drawing some lucky winners out of the boxes to win a prize at the last assembly of the term (Friday 21 September). Get involved and good luck!

Ngā mihi,
Whānau Support Group.

Te Wiki o te reo Māori (Māori Language Week)

We are exploring the names and geographical features of our local area to help us understand our school pepeha. Each class is going to walk to Pito-One Beach during the week of 10-14 Mahuru (September) which is Te Wiki o te reo Māori. If you are able to join us, please circle the day(s)/time(s) you are available and return to your child's teacher.

Please return by Thursday 30/08/18

Rāhina (Mon)	Rātū (Tues)	Rāapa (Wednes)	Rāpare (Thurs)	Rāmere (Fri)
<i>morning</i>	<i>ata</i>	<i>morning</i>	<i>ata</i>	<i>morning</i>
<i>afternoon</i>	<i>ahiahi</i>	<i>afternoon</i>	<i>ahiahi</i>	<i>afternoon</i>
