Well the term is certainly turning into a very busy one with lots of learning opportunities on offer for the students. These include the Senior team trip to Parliament, NZ Playhouse, SHC Music Roadshow, sports activities, Road Safety for the Juniors, a visit from the health nurse in Kereru class and coming up this week a visit from the Dog Safety team from HCC. We have begun our Year 7 / 8 Careers programme and I would like to thank the parents and friends who have come in to speak so far this term.

School Health Nurse -'Clean As' Hygiene programme

Wash your hands after you go toilet, with soap and water for 20 seconds and dry them for 20 seconds as well. Then you can go and eat your apple or what you want to eat. **Charlotte**

If you don't wash in the shower, you might smell. Then your skin would feel weird. If you do the opposite - you would be fine. **Niko**

Make cuts go away. If your cuts have pus, go to the DOCTOR quick! If you don't, cover your cut to keep clean. Keep your fingernails short. **Barnaby**
When people sneeze they have to sneeze in their elbow and wash their hands. Use a tissue. When you have a cough, you have to stay home. But when you are better, you can go to school. **Archie**

Edward and Oliver show their amazing 3D art pictures

Thank you to the parents who helped with our Marble Runs by donating bits and pieces. A big thank you to Sandra Sunko-Craw for donating boxes of scrap paper for us.

Mid year team bonding session for the **Year 7 & 8 netball team**. On Sunday they started with a pre-dinner at Dennys followed by watching the Pulse game. The girls enjoyed the bonding and watching the professionals in action on the court.

Thank you for supporting the school cross country.

Big thanks to Mrs McNeill and Mrs Bell – awesome organisation!

Congratulations to the Sacred Heart South-Western Cross Country team. The competition was held on Tuesday 4th August, at Sladden Park. Our team participated very well, with everyone running their best and demonstrating a positive attitude. A big thank you to all our helpers and supporters. Good luck to those students who have qualified for the Interzone next week.

Last week the junior classes all enjoyed **Road Safety awareness** with Constable Blue and Constable Tanya.

Today a policeman came to our class. His name is Constable Blue. He taught us how to walk safely. He even taught us about hazards. On our walk we could wear bright orange vests with black zips. For our walk, we just walked down the street to Jackson

Street. We learnt road safety. I thought Constable Blue was a good chap! It was so much fun! I like when Constable Blue is around!

Parliament Tour Experiences

On the 6th of August, the Seniors went to Parliament. We were waiting outside when Dr Ashley Bloomfield came out. He walked over and Sam and I said "Hi" he replied saying "Hi" back. **Harrison**

Last week on Thursday, we went to the Parliament which was so fun. We even saw Ashley Bloomfield and Chris Bishop!. Augustine was picked to be the Prime Minister of the day and we had to ask questions to Augustine about the Covid19. Then Emily got to be the Speaker of the Day because she sat on the Speaker's chair. Then at the end of our tour, we ended up playing with the Kakapos at the playground outside. **Avah**

Last week on Thursday, we went to Parliament House. I got picked to be the youngest Prime Minister for the day and Molly asked me four questions. Lilly-Rose asked how old I was and I said "no comment" and "you shouldn't ask a woman how old they are that is just "rude". **Augustine**

On the 6th of August, the Seniors went to Parliament. We were waiting outside and Dr Bloomfield walked past us and we said "hi" and he said "hi" back. **Sam**

Last Thursday, the seniors went to Parliament. In the debating chamber, I got to be the Speaker which is apparently the most important (even more important than the Prime Minister) person in the room. You could easily tell because the Speaker gets to sit on a Big Corner chair. **Emily**

School Leader, Milla Sowerby made a speech at Assembly about 'Sense of Community'

Ko Milla taku ingoa, tena koutou, tena koutou, tena koutou katoa

Welcome back to term three! I hope all of you had an amazing school holiday and a great first week back. Well done for your great cross country efforts and for the way you support each other when finishing the race. As some of you have noticed, the R.I.S.E value that we are focusing on this term is 'Sense of Community'. If you're asking yourself, what is 'Sense of Community', well I'm here to tell you.

Together as a school we are a community and when we help each other we are showing 'sense of community'. As a country we are a community and when we look after each other and follow the rules we are all being mindful of each other. That is what being a community is all about. It's about coming together and celebrating our differences, our successes and just being a TEAM.

When we were all in 'lockdown', lots of us showed an amazing sense of community without even realising! We all stayed home and stayed in our bubbles which helped fight COVID-19. Now we are allowed to come together and celebrate what we have all done. We have protected each other and saved many lives. In the 'Black Lives Matter' movement, many of us came together as a community and supported each other despite our differences.

There are so many ways that we can show 'sense of community'!

They can be small things like picking up some rubbish at school and putting it in the bin, or you could include more people in your games and take action to bring our school community together. All of us can make a difference.

I hope you have a great weekend.

Thank you.

Our Gold Reward Marble Run building was a great success! Ten mixed age teams working together. We saw some amazing team work, some fantastic ideas and real problem solving. Thanks Mrs Tristram for being our inspiration!
